Re: Freedom of Information Act Request

Dear FOIA Administrator:

This is a Freedom of Information Act Request pursuant to 5 U.S.C. § 552.

I request that a copy of the following documents be provided to me: all documents related to the National Oceanic and Atmospheric Administration (NOAA) Southern California Coast Angler Survey, OMB No. 0596-0110 (rev. June 29, 2003), as referenced in a June 2004 document prepared for the EPA titled, "A Survey on Recreational and Subsistence Fishing in Southern California Coastal Waters," including angler surveys, the Phase I and II completed questionnaires, site visit data forms, non-response tally forms, and all supporting documents used to prepare the report.

To the extent any of the records responsive to this request are stored in electronic format, please also provide a copy of the records in their native electronic format on CD-ROM or other media that will enable us to load the records onto a computer. When providing electronic records, please include metadata.

Please supply the requested records without informing me of the cost if the fees do not exceed \$1,000.00, which I agree to pay as necessary. Otherwise, I ask that you notify me of any search or duplication costs exceeding \$1,000.00, so that I may decide which records I want copied.

If you are not the appropriate contact for this FOIA request, please let me know so that I may direct this request to the appropriate contact. If you deny any part of this request, please cite each specific reason that you believe justifies your refusal to release the information with respect to each document or category of documents refused. Please also notify me of any appeal procedures available under the law.
